Dear Brother Royer:

**Re: 2015 AFL Kids' Camp**

On behalf of the Federation, thank you for the generous donation made to the 2015 AFL Kids Camp. The contribution of \$450.00 donated by IBEW 1007 is very much appreciated.

The AFL Kids' Camp would not be possible without the generous support of affiliated local unions, labour councils, individuals and the Congress. The exposure to unions through product donations provides a positive union experience.

Support makes scholarships possible, provides busing to and from camp, allows the AFL to select quality activities, and purchase craft supplies and materials for union time. The actual camp facility, activities and transportation costs would make registration fees prohibitive without your support. These costs do not include the support unions provide by "lending" us staff and members to be leaders for the week!

The total camp experience is designed for fun and friendships and the fostering of a desire for campers to become the activists, leaders and trade unionists of the future. Campers leave more aware of unions, the benefits of a union job and the good work that unions do within our communities. I attended as Camp Director this year, it affirmed my belief that this fun-filled camp is a stepping stone for union appreciation.

Your generous donation allowed the AFL to provide a fun and positive experience for the 2015 campers. Thanks once again.

In Solidarity,

Siobhan Vipond  
Acting AFL President
