Dear Jimmy,

The 33rd annual Labour Appreciation Night was a wonderful evening again this year. The attendance was great, with a crowd of over 200 and everything we have heard to date has been very positive.

The participation and support of your organization played a significant role in helping to ensure that our evening was successful.

Please pass on our sincere thanks to your Executive Board and members for the contribution of your door prize(s) for our celebration.

Please note the date for next year is April 21, 2018 at the Shaw Conference Centre; hope to see you there.

In solidarity,
