Dear Jimmy:

Re: 2017 AFL Commemorative Brunch

On behalf of the Federation, thank you for the door prize donation for this year's AFL Commemorative Brunch held on December 3, 2017.

Each year we continue to be amazed at the support of affiliated and non-affiliated unions, community groups and individuals for the Brunch that marks the National Day of Remembrance and Action on Violence against Women. This year's brunch set a record attendance of 186 people.

The event is an opportunity to remember those who lost their lives in 1989, highlight the gains made on the issue of violence, and remind us that much more needs to be done to end violence in our homes, workplaces, communities and society. We can bring about change by working together, in partnership with our allies and by lobbying politicians for the implementation of the necessary policy and social changes.

The brunch gives activists the opportunity to come together, network, learn and be motivated to continue their work with renewed enthusiasm.

We raised over \$10,000 for the *Jessica Martel Memorial Foundation* this year and gave to them more than \$750.00 in donated gift cards.

Your generous donation is much appreciated. Many thanks!

Sincerely,
