RE: IBEW is Fighting to Reverse the Federal Government's Decision to Remove Nuclear Workers from Public Pension Plan

Greetings:

The International Brotherhood of Electrical Workers (IBEW) is part of a coalition of unions that are fighting to reverse the government of Canada's decision to remove workers at Canada's Nuclear Laboratories (CNL) formerly Atomic Energy of Canada Limited (AECL) from the Public Service Pension Plan. This decision was made without any consultation or discussion with unions representing Canadian nuclear workers and is unfair to IBEW members who work for CNL at the Chalk River site. If allowed to pass, this decision will effectively take away the rights, benefits and pension plans IBEW members have worked so hard to obtain, without providing an opportunity to negotiate.

Let the Government know you stand with your fellow Canadian nuclear workers. There are several ways that IBEW members can get involved with this initiative.

- 1) Visit this website: www.fairdealforworkers.com and sign the Canadian Alliance of Nuclear Workers (CANW) online petition.
- 2) Like, Share, follow and comment from your social media profile in support of the campaign. On Facebook www.facebook.com/CanadianNuclearWorkers/ or on Twitter www.twitter.com/CanadianNuclear.
- 3) Join your fellow union brothers and sisters at a protest on Parliament Hill scheduled for June 5, 2018 between the hours of 11:00 a.m. and 1:00 p.m. Union speakers will begin their speeches at noon. Your attendance at this rally would significantly enhance the effectiveness of this protest.

Show your support and help make a difference by standing alongside your fellow PWU members who are directly affected by this unfair decision.

Thank you for your attention to this matter.

In solidarity,

Bill Daniels
