**To: Members of the CLC Canadian Council and Young Workers
Advisory Committee**

Greetings,

The Canadian Labour Congress (CLC) Young Workers Program and the United Way Centraide Canada (UWCC) are pleased to present the second annual **CLC/UWCC Post-Secondary Scholarship**.

The CLC and the UWCC are long-time partners in taking action to create prosperous, inclusive, diverse and respectful communities, safer workplaces, and a fairer Canada for working people. Last year, we created a post-secondary scholarship in recognition of the important opportunities college or university education can provide for young people. Too often, these opportunities are out of reach for working-class people due to ever-increasing tuition fees.

This \$2,500 scholarship is offered in recognition of the efforts and commitment of young workers across Canada who have demonstrated a commitment to positively impacting social and workplace issues in their community.

Please circulate this call for applications to help ensure this scholarship is widely shared.

The deadline for receipt of applications is Friday, June 1, 2018.

Please see the application form for eligibility criteria:

In solidarity,

Hassan Yussuff
President
