Dear Jimmy,

Re: 2019 AFL Kids' Camp

On behalf of the Federation, thank you for your generous donation made to the 2019 AFL Kids Camp. The contribution of \$500.00 donated by the IBEW 1007 is very much appreciated.

The AFL Kids' Camp would not be possible without the generous support of affiliated local unions, labour councils, and individuals. The exposure to unions through product donations provides a positive union experience.

Support from unions and friends has meant we have never turned a kid away due to lack of financial resources. It makes activities, purchasing craft supplies, and materials for union time possible. The actual camp facility, activities and transportation costs would make registration fees prohibitive without your support. These costs do not include the support unions provide by "lending" us staff and members to be leaders for the week!

The total camp experience is designed for fun, friendships, and fostering the desire for campers to become the activists, leaders, and trade unionists of the future. Campers leave more aware of unions, the benefits of a union job and the good work that unions do within our communities. This fun-filled camp reaffirms my belief that it is a stepping stone to our youth towards union appreciation.

Your generous donation allowed the AFL to provide a fun and positive experience for the 2019 campers. Once again, thank you.

In Solidarity,
