August 2020

To the Members of IBEW 1007

I look forward to serving as your Business Manager/Financial Secretary for the next four years and give a great big thank you to the Membership for your support. I am truly honoured by the trust you have put in me and am very excited to get to work, on your behalf. To be working with such a great group of elected officials with all their experience and knowledge is exciting and humbling at the same time.

I would like to thank all the candidates for their interest in our union. This willingness to put their name forward shows their dedication and enthusiasm to want and strive for better things for the membership. There is always room for improvement, and I look forward to working with these individuals over the next four years. They are leaders in their areas, and we should all be proud to have members that care this much. We need members who are engaged, and I know they will always have that same drive and positivity for our union.

I would like to thank those following people:

Shon Duby, Barry Thoms, John Dazy, Peter Kluthe, Marc Plain, Duncan Byquist, Doug Gilbertson, Dean Horsfield, Jack Washington and Jeff Landers.

I would also like to thank James Connor. Anyone who sits in a Union chair knows it takes a certain strength of character and personal sacrifice to do the job. To step up and put your neck out for people you believe in and causes that are worthwhile isn't always easy. Thank you Jimmy for your service to IBEW.

Yours truly,

Steve Southwood
Business Manager/Financial Secretary
